YOUTH & GOVERNMENT

Two Delegations:
Crescenta-Cañada Family YMCA
Verdugo Hills Family YMCA

Become a part of a great tradition:

Youth & Government provides students with practical experience in the study of state government. Participants study issues, draft legislation, learn how to present their legislation in a committee and debate it on the floor of the House or Senate. Youth & Government also includes a judicial program and special programs for pages, print and video journalists, legislative lobbyists and legislative analysts.

Students participate in training and election trips to Camp Roberts (Paso Robles, CA) in November and January to prepare for the highlight of the program; a trip to the State Capital in February. In Sacramento students join other Y&G groups in California and preside over all aspects of the state government with access to:

- The entire Capitol and Supreme Court Chambers including the Senate and Assembly floors.
- All governmental offices and the Governor's personal suite.
- All Advocate and Trial Court chambers.
